SUBJECT: Reporting to the Oversight Committees Concerning
Agency Activities Under the Executive Order

1. HPSCI Chief Counsel, Michael O'Neil called me early this afternoon to ask some questions about the Agency's reporting requirement under the Executive Order, which basically concerns Agency involvement with American citizens. O'Neil said there is a semi-annual reporting requirement which is furnished with the FISA report, as well as one provided on an annual basis. O'Neil said that he has lost track of the process and was wondering when they would be receiving the next report, and what period it would cover.

2. In addition to the above, O'Neil said that last year they had received a briefing from C/CI Staff, [] on all of the counterintelligence files which had been opened on Americans during the reporting period. O'Neil would like to know when they could expect to receive the briefing from [] covering the current period.
